Confessions of a bad mother's daughter

My mother always says that she prefers to spend her free time – off work, that is – with us: my younger brother Jack and me. So, rather than cleaning up the house and cooking dinner for us on weekdays, she hires Miss Porter, who comes to our house to do those things (we all love her cooking!) – and we go cycling, jogging, walking with our dog, or just have ice cream and tell her about school. Of course, we still have time to do our homework or socialise online in the evenings, but we all like our quality time with her. Is she a bad mother? What do YOU think? Please write with your comments.
